

**Chevy Chase, Jan 2, 2015** First and foremost, and just in case you haven't noticed, Christmas and New Year's Eve are over... Survived yet another set of them. Great! Now it is back to focusing big time on The Americas road trip. As you have probably noticed, the page dedicated to the trip on this website is now up and running. Check it out for all the latest details. Once back on the road, the reporting will shift back to my FB page: [www.facebook.com/jorge.serpa.1654](http://www.facebook.com/jorge.serpa.1654)

Not related with the trip, Adamastor Travel, LLC is now history! A part of the LLC's business will continue to be done by me, directly. Let's see how things work (or not!). The change in business set-up has also forced a few changes on this website. The most visible one? The old page *Slow Roads!* will now be used for anything that would have been related to the old Adamastor Travel.

And that's all for today, folks. Now back to work. Cheers.
